

# NKES Yearbook Newsletter

## What's New?

- ◆ Join our new Facebook group, **NKES Yearbook**. There, you'll be able to stay up to date on deadlines, share your yearbook photo submissions, message your yearbook team, and more!
- ◆ TreeRing has an app for that. Download the TreeRing Yearbook app available on Android and iPhone. You can order your yearbook, upload your pictures and create personal pages directly from the app!
- ◆ We're trying something new with the cover art contest. As always, our cover winner will be a fifth grader who will be the first to receive his or her yearbook, FOR FREE! But, this year, fifth grade art classes will be given instruction on a theme to create a cover-worthy masterpiece. We look forward to seeing their creations and choosing a winner!

## Things To Remember

We are always on the hunt for pictures. We've been known to lift some from Facebook (with permission, of course)! If you'd like to donate pictures, you can upload them to TreeRing, post them to our Facebook group page (this is a closed group for NKES parents and staff only), email them to one of us, or send a disc in to the PTO marked "YEARBOOK."

Yearbooks must be ordered online to take advantage of the two, free personal pages. This is THE reason we choose to stay with TreeRing! Our students love to flip to those last few pages to see what was created just for them! Please let us know if you have any questions about this exclusive feature.
