GREETINGS, RIVER OTTER FAMILIES!

Hello River Otter Families,

We are SO excited for March and the excitement around reading that it brings. In addition to our Flying Squirrels initiative, we also have our March Madness Read-A-Thon! We have loved watching the excitement for reading build throughout NKES as a result. To make it even MORE exciting, we kick off "One School, One Book" with Charlotte's Web on Monday, March 6th! We LOVE seeing our River Otters LOVE to read!

Love,
Dr. Stamm & Dr. O'Dea

HIGHLIGHT OF THE WEEK!

In true collaborative partnership, one of our 1st and 3rd grade classes combined to learn about adjectives and make "Oobleck"! We love watching our students connect and learn from one another.

Engagement was high for all through hands on, problem-based, communicative experiences! We love to see it!
